

755 E. Cornejo St., Malibay, Pasay City 1300

AFPI'S ANNUAL NARRATIVE WORK PLAN  
(SY 2016-2017)

## HIGHLIGHTS

### I. ADMINISTRATIVE

#### A. Personnel

1. Capability building and KAS enhancement on Case Management and Technical writing for program staff and resource generation and management for administrative staff.

#### B. Construction/Equipment/Furniture/Properties

1. To fully acquire/own the lot in Pasay.

### II. PROGRAM OPERATIONS

#### A. Sponsorship Program and EAP

1. Formation of Chorale, Dance and Theatre Groups and implementation of Trainings, Workshops and others.
2. Special Activities
  - *Christmas Gathering*
  - *Tribute to the Graduates and Honor Students back to back with Sportfest, Summer Camps and/or Reflection Activity.*
  - *Tree Planting (Baguio)*
  - *Children's Month (Cebu)*

#### B. Residential Center

1. Focus on Case Management particularly on the rehabilitation and healing process of clients.
2. Sustain the IGP of the girls in the center; Income generated will be saved to be given to the resident when she leaves the Center.

#### C. Community Development

1. Parents and Students Organizing

- Capacity-Building on Leadership, meeting facilitation, Basic Bookkeeping, documentation and filing.
- Continue supporting the income generating initiatives of the parents in the community.

**D. Resource Generation/ Networking and Partnership Building**

1. Resource generation through the active involvement of the AFPI Alumni.
- Re-activation of AFPI Alumni organization in each area of operation.
2. Maximize French Volunteers in fund raising initiatives.
3. Sustain Partnership with APC, ASMPH, PASMOM, ABSNET, NCSD and others.
4. Conduct of AFPI organizational fund raising (Raffle Tickets).
5. Project proposal making for local donors to maximize our “donee institution status” as an accredited NGO by the PCNC.
6. Secure accreditation from the LGUs where AFPI programs/projects are being implemented.
